Awe and Wonder

Take a photo of something that you think is beautiful. Look closely at it, what do you notice? The world is full of beauty and mystery, if we slow down and look.

</td>
<td>

Design a colourful firework display using chalk, pastels, paint or collage. Could you make a firework using junk modelling?

</td>
<td>

Diwali

Create a beautiful card for someone celebrating Diwali. Include the greeting 'Happy Diwali.'

Design a colourful Rangoli pattern using shapes, repeating patterns and bright colours. You could draw it on paper or create a design using coloured rice, chalk or natural materials.

Make a paper lantern or a decorative diya lamp.

Courageous Advocate

Can you do some research on a courageous advocate of your choice and make an information poster about them? What made them want to be brave for others?

</td>
<td>

Imagine you are a newspaper reporter in 1605. Write a newspaper headline and a short report explaining what happened in the Gunpowder Plot.

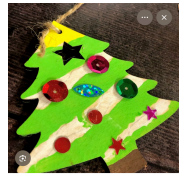

</td>
<td>

Make a Christmas Snow Globe: Create a mini winter scene using a clear plastic container, a small handmade tree, cotton wool snow and decorations.

Make a unique decoration for our school hall Christmas tree. It could be a reindeer, star, snowflake, angel, gingerbread person or something completely original.
