Newsletter - Friday 24th April 2026

A message from Mrs Holmes

The time, creativity and effort that goes into homework always blows us away! Look at these incredible shields to celebrate St George's Day! We are all very impressed!

We currently have two vacancies for Midday Supervisor roles at our school. If you, or someone you know, may be interested, we would love to hear from you. Please click on this [link](#) for more information or share this opportunity with others who might be interested.

Thank you for your continued support.

Chaplain's Corner

I have the privilege of serving as Chaplain at both FoG and Manor CofE Academy.

Over the coming months, our schools will be working collaboratively on a number of projects. Our Eco Council will meet with the Green Council at Manor to plan some joint activities that will empower both our communities to do more to protect our local environments.

A group of students from Manor will support me in leading a special worship which will launch one of our new charity partnerships at FoG. I am really excited to share more about this with you in the coming weeks so watch this space!
